**vs.**

**Civil Action No.:**

**S & S FIRESTONE, INC., d/b/a S & S

**Defendants.**

**CLASS ACTION COMPLAINT**

COMES NOW M.P.G. Tent Rentals, Inc., d/b/a Special Occasions, individually, and on behalf of all other persons or entities similarly situated, as Plaintiff, and files this Class Action Complaint against the Defendants, S & S Firestone, Inc., d/b/a S & S Tire, and Fictitious Parties A through E (hereinafter, the named and fictitious parties will be collectively known as "Defendants"), respectfully showing the following:

**PARTIES, JURISDICTION AND VENUE**

**PLAINTIFF:**

1. M.P.G. Tent Rentals, Inc. (hereinafter, "Representative Plaintiff") is an Alabama corporation with its main office located at 2820 Central Avenue, Homewood, Alabama 35209.
2. The claims of the class of persons represented by the Representative Plaintiff arise pursuant to the provisions of the Telephone Consumer Protection Act, 47 U.S.C. §227 (hereinafter, "TCPA").

**DEFENDANT:**

3. Defendant S & S Firestone, Inc., (hereinafter, "S & S Firestone") is a Kentucky corporate entity whose mailing address, upon information and belief, is 1175 Jingle Bell Lane, Lexington, KY 40555-5046.

4. Fictitious Parties A through E represent those persons, corporations or other legal entities, parent, predecessor or successor in interest to S & S Firestone, whose identities are unknown at the present time but will be substituted by amendment when ascertained, who assisted S & S Firestone in creating, publishing, and faxing the document received on the fax machine owned by Representative Plaintiff.

5. Venue is proper in this Court pursuant to *Alabama Code* § 6-3-7(a)(3) as the Representative Plaintiff was located and did business in Jefferson County, Alabama at the time of the accrual of the cause of action.

**CLASS ACTION REGARDING SIMILARLY SITUATED PLAINTIFF**

6. Representative Plaintiff brings this action as a class action pursuant to the provisions of *Alabama Code* § 6-5-640 and *Ala. R. Civ. P.* 23. The proposed Class of Plaintiffs is so numerous that joinder of all members is impractical. Upon information and belief, Representative Plaintiff shows that noncompliant facsimile advertisements sent on behalf of the Defendants to advertise their products and services have been transmitted to hundreds of telephone facsimile machines in Alabama and, presumably, other states through an intentional and persistent course of conduct. Each such transmission constitutes a separate violation of the TCPA. As a result thereof, there are questions of law or fact common to the proposed Class, and such questions predominate over any questions affecting only individual members. A class

action is superior to other available methods for fair and efficient adjudication of this controversy.

7. The claims of the Representative Plaintiff are typical of the claims of the proposed class.

8. For the purposes of this action, the proposed Class consists of the following:

All persons, natural or otherwise, throughout the State of Alabama and the United States to whom Defendants sent, or caused to be sent, from, upon information and belief, March 28, 2011, through the filing of this complaint, one or more facsimile transmissions with content substantially similar to that contained in Exhibits 1 - 18.

Excluded from this class are any persons, natural or otherwise, to whom Defendants sent, or caused to be sent, any facsimile transmissions with content substantially similar to that contained in the attached Exhibit 1, but which contained an Opt-Out Notice fully compliant with 47 C.F.R. 64.1200(a)(3)(iii) and (iv) and for whom Defendants can produce records that prove the existence of an "Established Business Relationship" or "Prior Express Invitation or Permission" as those respective terms are defined by the Federal Communications Commission (hereinafter the "FCC") in its Rules and Regulations, to send such transmissions.

Excluded from the class is any agent, employee, or shareholder of Defendants. Also excluded from the class are all judges of the state courts of the State of Alabama as well as all judges of the Court of Appeals and justices of the Supreme Court of the State of Alabama.

Also excluded from the class is anyone who has filed separate litigation against Defendants for the same conduct alleged in this litigation, unless said individual consents to the consolidation of his or her case with the instant case.

Also excluded from the class is anyone who has released Defendants from the same conduct alleged in this litigation.

9. The Representative Plaintiff and its counsel are capable of and are willing to represent the other members of the proposed Class fairly and adequately.

**FACTUAL ALLEGATIONS PERTINENT TO ALL COUNTS**

10. Representative Plaintiff realleges and incorporates Paragraphs 1 through 9 above as if fully set forth herein.

11. The Defendant's facsimiles were received in the Representative Plaintiff's office located at 2820 Central Avenue, Homewood, Jefferson County, Alabama 35209, on a fax machine using the dedicated telephone line number 205-879-2644. Hereinafter, the facsimiles at issue in this action will be referred to as the "Faxes".

12. On March 28, 2013, a series of fax transmissions offering S & S Firestone's goods, products and/or services began arriving on the Representative Plaintiff's fax machine. The Faxes at issue contain a variety of advertisements offering deals and specials, as well as those urging the recipient to call for pricing. All of the Faxes include a toll free telephone number.

13. True and correct copies of those Faxes, as received by Representative Plaintiff, are annexed hereto as Exhibits 1 through 18.

14. Exhibits 1 through 18 contain material advertising the commercial availability of goods and services that will be provided by the Defendant.

15. Exhibits 1 through 18 do not contain an Opt-Out Notice that is clear and conspicuous.

16. Exhibits 1 through 18 do not contain an Opt-Out Notice that complies with the requirements of 47 C.F.R. 64.1200(a)(3)(iii) and (iv).

17. Exhibits 1 through 18 do not contain an Opt-Out Notice stating that sender's failure to comply within 30 days to a request to stop sending such faxes is unlawful.

18. Exhibits 1 through 18 do not contain an Opt-Out Notice of any kind.

19. Defendant, and/or its employees and/or its agents, determined the fax telephone numbers by which Exhibits 1 through 18 were sent to the Representative Plaintiff and other recipients of the same fax or faxes.

20. Upon information and belief, Defendant sent fax transmissions of Exhibits 1 through 18 to hundreds, if not thousands, of telephone facsimile machines located in Alabama and other States where S & S Firestone has stores.

21. Said transmissions of Exhibits 1 through 18 were made for the purpose of advertising the commercial availability of goods and services available from the Defendants.

**COUNT 1**  
**VIOLATIONS OF 47 USC § 227(b)(1)(C)**  
**ACTIONABLE UNDER 227(b)(3)**

22. Representative Plaintiff realleges and incorporates Paragraphs 1 through 21 above as if fully set forth herein.

23. The TCPA requires that all persons who send advertisements to fax machines must include an Opt-Out Notice fully compliant with FCC regulations enacted pursuant to the TCPA found at *47 C.F.R. 64.1200(a)(3)(iii) and (iv)*.

24. As a result of the foregoing, any members of the proposed Class who received a facsimile from Defendant that did not include a fully compliant Opt-Out Notice are entitled to \$500.00 in damages for each fax transmission in violation of the TCPA pursuant to *47 U.S.C. § 227(b)(3)(B)*.

**COUNT 2**  
**TREBLE DAMAGES**

25. Representative Plaintiff realleges and incorporates Paragraphs 1 through 24 above as if fully set forth herein.

26. Defendant's actions willfully or knowingly violated the Telephone Consumer Protection Act.

27. As a result of the foregoing, the Court may, in its discretion, increase the amount of the statutory damages up to an amount equal to \$1,500.00 per TCPA violation pursuant to 47 U.S.C. § 227(b)(3)(C).

28. The Court should use its discretion to increase the amount of statutory damages to an amount equal to \$1,500.00 per TCPA violation due to the Defendant's willful or knowing conduct.

WHEREFORE, Representative Plaintiff respectfully prays for the following relief:

- a. That the Court enter an Order certifying the claims of the Representative Plaintiff and all other persons similarly situated as class action claims set forth regarding Counts 1 and 2 as provided by *Alabama Code* § 6-5-640 and *Ala. R. Civ. P. 23*;
- b. Pursuant to Count 1, that the Court enter judgment in favor of Representation Plaintiff and the proposed Class against Defendants, in an amount of \$500.00 for each fax transmission in violation of the Telephone Consumer Protection Act;
- c. Pursuant to Count 2, that the Court find that Defendants willfully or knowingly violated the Telephone Consumer Protection Act and increase the statutory damages against the Defendant to a total of \$1,500.00 for each and every fax transmission in violation of the Telephone Consumer Protection Act;
- d. Trial by Jury as to all issues so triable; and

- e. That the Representative Plaintiff and the members of the proposed Class be granted such other and further relief as is just and equitable under the circumstances.

Respectfully submitted this the 14<sup>th</sup> day of January, 2014.
